

## **Northwest Lancaster County River Trail ADA Trail Accessibility Policy**

In accordance with 28 CFR § 35.137, the Northwest Lancaster County River Trail is available to individuals with a mobility disability as follows:

### Wheelchairs

Wheelchairs, as defined by 28 CFR § 35.104, are permitted on the Northwest Lancaster County River Trail.

### Other power-driven mobility devices (OPDMDs)

OPDMDs, as defined by 28 CFR § 35.104, are permitted on the Northwest Lancaster County River Trail as follows:

1. The OPDMD must be electric-powered. Internal combustion engines are not permitted.
2. The OPDMD must have an electrical output of no more than 300 watts.
3. The OPDMD must be no more than 36" in width.
4. Users of an OPDMD must operate the device at a safe speed considering the condition of the Trail and the other users traveling on the Trail.
5. Users must exercise reasonable caution and care while operating such devices on the Northwest Lancaster County River Trail.

Access to the Trail utilizing devices as set forth above is limited to individuals with mobility disabilities. This policy does not authorize the use of these devices by others.
